DEDICATION

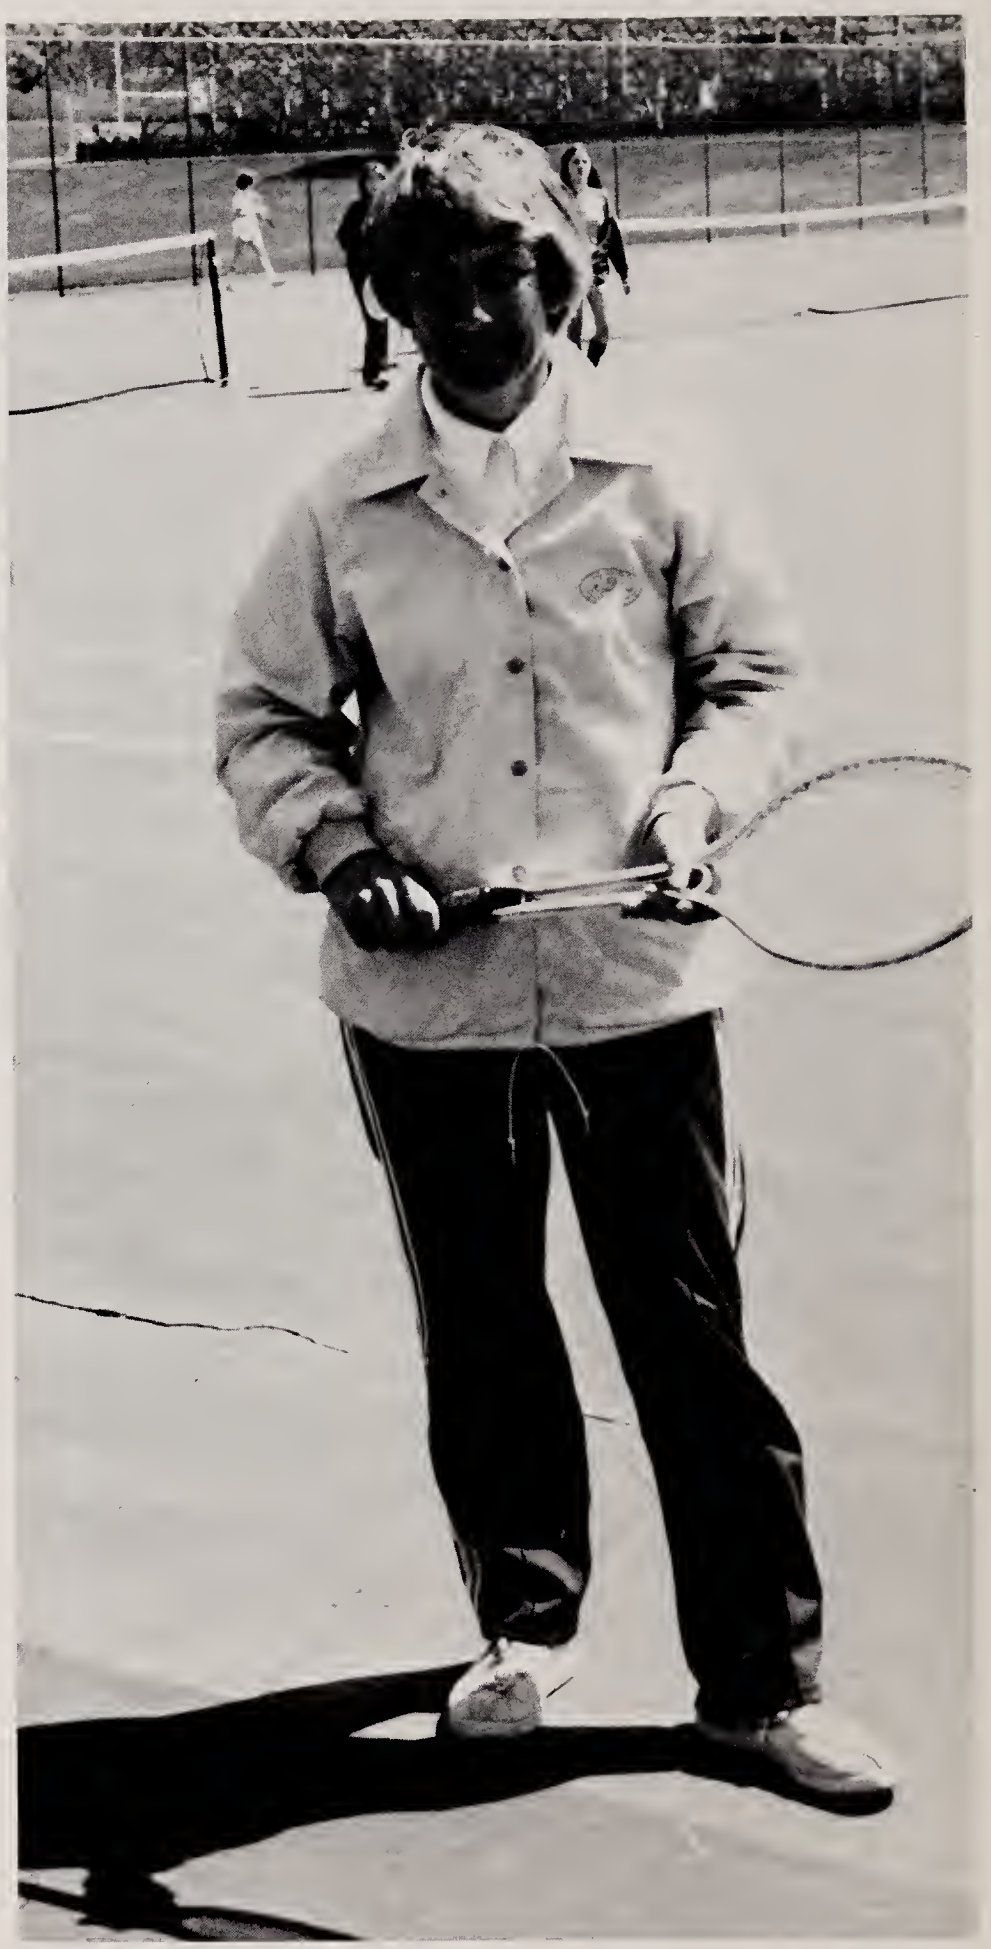
A yearbook dedication is a very special honor, and its recipient should be equally as special. We, the Class of 1980, have proudly dedicated our yearbook to a very deserving person.

When we entered the high school in 1975, we met someone who was also a newcomer. We grew and learned together. He has helped us in countless ways; if not through sound advice and instruction then with a warm smile and an attentive ear. As our class advisor, he gave us the support that was necessary to pull off many activities. Even while recuperating from a serious operation this year, he made the effort to attend all class activities.

His work in the Skills Center also can not be overlooked. He enjoys his work and he takes it seriously. He respects his students as much as his students respect him, a rare quality these days.

We, the Class of 1980, are very proud to dedicate our yearbook to a very special person, Mr. Peter Taberski.

It's not often that a coach comes through a high school with an impact on her students. Marie Butera is not only a fantastic coach, but a friend. She is an inspiration to all the girls she works with on her teams. We may have to work hard, but in the end the results are worth it. Who else could give us champion teams year after year? How many other coaches put their souls into their teams? Sail high with their victories, console and encourage them in defeat?
In our hearts Marie Butera will always be the coach of the year.



RECOGNITION

RECOGNITION

The day she took over, Iona Nickeson did not know what she had gotten into. Very few of us did, but along with the rest of us, she learned. She has helped us through the roughest of times with determination and dedication, even those times fifteen minutes before a deadline. She would not let us give up. The yearbook staff wishes to thank her for her time and effort in helping an impossible dream become a reality. We can sincerely say that we never would have made it. We will never be able to say thank you enough.

PRINCIPAL'S MESSAGE

On June 6, the Class of 1980 will graduate on the Town Green, completing one phase of your education. On behalf of the faculty and staff of the Weston Public Schools, I would like to extend to you our sincere congratulations and wish you well.

Continuing your education will be a life-long process. Not only will you need to learn more information, but you will need to gain increased understanding and tolerance for others in your new communities and for the diverse peoples and cultures in that wider community which comprises our shrinking world. I urge you to be concerned, to stay involved and to believe in your ability to make a difference. We will watch with interest and affection as you set about meeting your new responsibilities.

Special Recognition

Mr. Taberski and Mr. Neild, the Class of 1980 wishes to thank you for helping make graduation possible. How could we have survived the hats, candles and "Une Soirée a Paris"? Without you we could not have looked ahead to the Variety Show, Class Day and Graduation. When our spirits seemed at the lowest, you managed to stick with us to the end. We just hope that you have enjoyed working with us as much as we have enjoyed working with you. The Class of 1980 would like to thank you for all your hard work.

What happens to a dream deferred?
Does it dry up
Like a raisin in the sun?
Or fester like a sore —

Maybe it just sags
Like a heavy load.
Or does it explode?

If you think you're better, you are.
If you think you dare not, you don't,
If you'd like to win, but think you can't, you won't.
If you think you'll lose, you've lost.
For out of the world we find success begins with
A fellow's will; it's all a state of mind.
If you think you're outclassed, you are.
You've got to think high to rise,
You've got to be sure of yourself before you
Can ever win a prize.

Is the man who thinks he can.

LISA JOAN YEONOPOLUS
33 Colchester Road — May 18

Time it was, and what a time it was,
It was . . .
A time of innocence,
A time of confidences.
Long ago . . . it must be . . .
I have a photograph:
Preserve your memories;
They're all that's left of you.

S and G

But, everything was beautiful at the ballet . . .

CLASS OF 1980

Your Class of 1980,
Soon will be leaving Weston High,
And fondly, and somewhat sadly,
You'll bid high school days, goodbye.

You'll take with you many memories,
Of the happy years you shared,
With friends, and students, and teachers,
While for the future, you prepared.

That some future now awaits you,
As graduation nears;
You'll proudly accept the challenge,
But you'll have your doubts and fears.

Take courage, you who graduate,
You have so much to give;
You'll be the ones, who'll find the road,
To a better way we live.

Your path may be to college,
Or to busy industry;
Whatever you have chosen,
Do it faithfully.

Farewell, Class of 1980,
Our hopes all go with you;
We all take pride, and wish you well,
In everything you do.
